

Dale Carnegie® Training and
University of Central Missouri

LEADING ENGAGEMENT

Certificate Program

Courses

- Dale Carnegie Course
- Leadership Training for Managers
- High Impact Presentations

About Program

Dale Carnegie® research has found that true engagement is the result of :

- A connection with one's manager
- Belief in Senior Leadership
- Pride in one's organization

Strengthen the skills needed to build engaging relationships with your employees. Build the ability to clearly communicate the direction of your organization in terms of your employees and build an environment that sustains long-term engagement.

What You Will Learn

- Create a vision for engagement
- Communicate with Confidence
- Build sustainable team relationships
- Maintain engagement during times of change
- Delegate to build engagement
- Align strategy, goals and performance
- Build trust and credibility
- Lead and engaged team

LEAD with an ENGAGING VISION
ACHIEVE ENGAGING TEAM RESULTS
BUILD BUY-IN to ORGANIZATION DIRECTION
