from a team of diverse generations

Nutzen des Trainings:

This interactive workshop provides insights to help you honor, appreciate, and identify with different generations. As you learn to connect and communicate more effectively with one another, you can begin to view differences as healthy and see how they provide exciting opportunities to collaborate on innovative solutions.

Ziele, die Sie mit dem Training erreichen werden:

Today's workforce is comprised of as many as five generations working side-by-side, therefore, connecting with each other may present even more of a challenge. Each generation has their unique mindset, work style, and ways of communicating. Learning to work and communicate across generations has become vitally important to building a cohesive, productive, and successful team.
