London Leadership Summit

In-Person

Leadership from a different perspective in association with CONQA

Τι θα μάθετε

The programme will focus on an array of business & leadership principles. We will be discussing how the best in each of their fields achieve success in; creating an effective organisational culture; strong leadership; negotiating under pressure; building influence; and constructive communication. The programme will focus on an array of business & leadership principles. We will be discussing how the best in each of their fields achieve success in; creating an effective organisational culture; strong leadership; negotiating under pressure; building influence; and constructive communication. Guest speakers include Kate Berardo, Head of Leadership Development at Facebook

Γιατί θέλετε να το μάθετε

It's a competitive world and what you hear and learn will make you a better leader who can influence more effectively, negotiate to win and CONQA the competition.

Πως θα σας βοηθήσει

The programme will be focused and insightful, where the purpose of attending is to share knowledge, exchange ideas and allow for networking amongst a variety of influential people. Attending will help take you and your organisation to the next level.
