

Organizational Development

Diversity & Inclusion Executive Workshop and Panel Discussion

In-Person

Join us for an executive workshop followed by a panel discussion with invited guests from Google, Justworks, SMBC, Mayshad Group, and more, to learn and ensure your leaders develop the awareness and become familiar with the tools to build more inclusive teams.

What You'll Learn

Become aware of 7 common forms of Unconscious Bias that limit inclusion and how it affects the decision-making process. Learn 9 people skill strategies that bridge differences and build strong connections.

Why you want to learn it

Diversity and Inclusion is critical to hiring, ongoing employee engagement and ensuring people speak positively about your organization.

How it will help you

When differences are managed well, the richness of diversity can create an environment of inclusion that produces strong and innovative work teams.
