# Free Preview - High Impact Presentations

In-Person

A free 2 hour preview session of High Impact Presentations.

## What You'll Learn

Practical skills to overcome nerves, increase confidence and how to utilise storytelling to deliver a memorable message.

## Why you want to learn it

The best leaders are usually master storytellers, who utilise this technique to get buy-in from those above, below and around them.

## How it will help you

The confidence to relax and be the best we can be ensures that we can sell our ideas to senior management, influence key decision makers, win over customers and inspire our team to action. This safe, fun and engaging session will help you to become a more successful leader and team player.
