

Leadership Training

Breakfast Briefing: Recognizing Leadership Blind Spots

In-Person

90 Minute Breakfast Workshop

What you'll learn

You'll learn what the latest research says about where the biggest blind spots exist. We'll also give you some specific ways to uncover your own blind spots and remove the anchors that are holding you back from reaching your highest potential.

Why you want to learn it

Everyone has blind spots. Uncovering your own is the only way to accelerate positive results in your own career and with your teams. Lift the weight of these blind spots off your shoulders and commit to leadership excellence.

How it will help you

This event will be a launching pad to accelerating your success. Taking the time to understand your blind spots will provide you an opportunity to remove barriers to maximizing your business results. You will walk away with specific tools and tactics you can start practicing immediately.
