

Presentation Effectiveness

Essential First Impressions: Business Etiquette and Professional Conduct

In-Person

Build the skills you need to enhance your current relationships, develop and grow new ones, and ensure every interaction is a valuable, positive, successful one.

What you'll learn

Demonstrating professionalism, establishing rapport, communicating well and effectively solving customer problems

Why you want to learn it

In today's high-tech world of communications, it's easy for us to forget that the people we're emailing, texting, or speaking with on the phone are real people. People who are treated with respect, kindness and attention are more willing to engage with you as a partner.

How it will help you

Build better, lasting, more meaningful relationships with clients and co-workers, establish a sterling reputation for integrity and camaraderie, set yourself apart as a leader and pillar of your community.
