

Presentation Effectiveness

Public Speaking Mastery

In-Person

This course takes people with typical public speaking fears and turns them into polished professionals who communicate their ideas with confidence and enthusiasm.

What you'll learn

Using a fail-proof outline, you'll learn to research and organise your presentations. Practice speaking with conviction and confidence, using voice techniques and gestures for impact. Discover methods for handling hecklers and navigating Q&As with ease.

Why you want to learn it

Public speaking ability is a key ingredient to success in any profession. This course is an odyssey of self-improvement. Through video, you will witness your nervousness melt away while watching yourself progress from a novice to a polished and confident communicator!

How it will help you

Through personal direction, you'll not only master skills, you'll discover and refine your presentation style. You'll even be able to watch this style develop through videotapes of your presentations. And the videotape is yours to keep and use when you find yourself in need of a refresher course!
