

Presentation Effectiveness

# The secrets of how to make human relationships and effective speaking

In-Person

For over a century, Dale Carnegie has been improving individual and business performance around the world. While our training techniques continue to evolve, our core principles remain true to a single vision: real transformation begins within.

## What you'll learn

A world bestseller's book "How to Win Friends & Influence People" shows practical examples of Dale Carnegie's principles. In this course, you will understand principles of human relationship and learn so that it can be utilized in real life. As a result, your problems are improved, becoming a professional of human relations and your life will change dramatically.

## Why you want to learn it

Speaking and presenting are skills which can be learned. Rather than being on the defensive and avoiding opportunities to shine, why not get the training and grab those chances to show you are persuasive, confident and impress everyone with your professionalism?

## How it will help you
