Developing Leadership Potential

## Lo que aprenderás

This thought-provoking session will help you with 1) Understanding the 5 levels of leadership and your leadership style 2) Discovering your strengths and blind spots and 3) Learning the secret of coaching people for performance change.

## Por qué lo deseas aprender

It is time for more clarity and to be seen more as competent leader of people, and not just a competent manager of process.

## Cómo te ayudará

Attending this Preview session will help you identify leadership development opportunities, stretch your thinking and decide if it is time for additional training. You will also hear about a new "Developing Leadership Potential" course coming to Pittsburgh this summer.
