Develop A Self Confident, Assertive Attitude

En présentiel

Develop A Self Confident, Assertive Attitude

Ce que vous apprendrez

Our expert coach will guide them towards building their strengths and create a safe, supportive environment in which their new found confidence and assertiveness can really flourish.

Pourquoi vous voulez l'apprendre

Developing a Self-Confident, Assertive Attitude is a Dale Carnegie Training course that shows people how to gain the assurance they need to speak up, make their point and win support.

Comment cela va vous aider

This program will help self-conscious employees overcome their fear and start contributing with ease.
