

Présentation

# Public Speaking for Middle Schoolers

En présentiel

## Ce que vous apprendrez

Participants will start with presentation basics and move quickly into actually delivering talks. They will be on their feet practicing and presenting like a professional in no time at all!

## Pourquoi vous voulez l'apprendre

1. Understand your audience 2. Organize your speech 3. Read aloud with enthusiasm 4. Analyze themselves on video 5. Tell your story with confidence 6. Win support from your audience 7. Inspire your audience 8. Use visual aids to perfect your timing

## Comment cela va vous aider

This 1-day seminar will help 6th, 7th & 8th graders to use techniques to get their ideas across with poise and enthusiasm.
