Public Speaking for Young Adults

Tatap Muka

-

Apa yang akan akan pelajari

Public Speaking is an Attainable Skill — Learn to: share your ideas confidently and clearly, speak up and ask questions in class, introduce and interact with poise, communicate value with impact and polish their presentations, (ahead of the crowd).

Mengapa Anda ingin mempelajarinya

Sharing ideas, collaborating and influencing others are critical for future advancement.

Bagaimana ini akan membantu Anda

They will leave with actionable best practices to present in all of those stressful life situations for the REST of their life!
