# Diversity & Inclusion

Staðþjálfun

Join us to learn and ensure your leaders develop the awareness and become familiar with the tools to build more inclusive teams.

## **Það sem þú lærir**

Become aware of 7 common forms of Unconscious Bias that limit inclusion and how it affects the decision-making process. Learn 9 people skill strategies that bridge differences and build strong connections.

## **Af hverju er það mikilvægt**

Diversity and Inclusion is critical to hiring, ongoing employee engagement and ensuring people speak positively about your organization.

## **Skrá mig á þetta námskeið**

When differences are managed well, the richness of diversity can create an environment of inclusion that produces strong and innovative work teams.
