Breakfast Workshop: Women in Leadership

Che cosa imparerai

You will learn confidence and the skills of a leader by creating a personal vision and developing a unique personal leadership style that builds trust, credibility and respect in your organization. By developing communication skills that include listening and using diplomacy and tact, you will develop an executive presence. You will learn to analyze problems, make decisions that utilize innovation. Lastly, participants will learn the art of impactful presentations.

Perché vuoi impararlo

Whether you are an individual that seeks to move ahead in her career, or a company seeking to retain and promote their women employees in the organization, this program provides the foundation of influential communications, human relations and processes that are essential to executive leadership.

In che modo ti aiuterà

At the end of the program, you will become a confident leader, allowing you to be positioned for more complex jobs. You will be able to communicate with authority and build meaningful and impactful relationships to drive business results.
