Dale Carnegie Course free preview

In aula

There are 5 Drivers that, coached the right way, take us out of our Comfort Zone and forward in our business and careers. These Drivers are the focus of The Dale Carnegie Course and the Free Preview will give you an opportunity to experience what the training is like, before making any commitment.

Che cosa imparerai

You will learn to communicate more confidently, clearly, and concisely, and project an enthusiastic attitude. Discover ways to energize and engage listeners, and persuade people to act. You'll focus heavily on building trust and strengthening relationships to instill confidence and vibrancy in your workplace.

Perché vuoi impararlo

This course is designed for any professional, at any level, who wishes to optimize their performance, lead with conviction, and have a consistently positive effect on the bottom line. We will develop a foundation for success by exploring the power of persuasion, presenting ideas clearly, and cultivating lasting relationships. In short, you'll leave with a bounty of tools that make you a more professional, confident, and enthusiastic leader in today's workforce.

In che modo ti aiuterà

Overall, the Dale Carnegie Course will refocus your energy to become a more effective communicator, securing your place as a valued contributor in your organization. As you become a persuasive communicator and problem-solver, adept at managing stress and change, you'll find yourself setting an example for others who are inspired by initiative and innovation. The results are measurable. The results are long-term.
