This course focuses on five key areas critical for future success -- Building Self Confidence, Enhancing Communication Skills, Interpersonal Skill Development, Teamwork and Leadership Skills, and Effective Attitude Management. Each area incorporates skills that are useful throughout life – inside and outside of work.

Perché vuoi impararlo

Today, the world is more complex, competitive and demanding than ever before. Young people often need to balance school, work and relationships while at the same time, planning for their future. Dale Carnegie for Young Adults helps teens become more confident and better able to cope with the pressure and stress that adolescents face.

In che modo ti aiuterà

Graduates tell us that their new skills have made them increasingly focused on their goals. They feel they make better decisions when faced with difficult choices, and confront problems and challenges more positively. And they believe they are more persuasive communicators, prepared them for applying to colleges or interviewing for jobs.
