# Train the Trainer The Dale Carnegie Way

정규과정

Trainer Skills Development Program

## 교육 내용

You'll learn how to turn this negativity into a positive force for the group. Whether you've been a trainer for a while or you're a novice, our Trainer Development Skills Program will help you polish the skills you need to facilitate a training that's participative, fun and has a lasting impact.

## 교육 목적

This program is designed to help you to become more comfortable as a facilitator. If you've ever been to a Dale Carnegie Course, you know that no one in the room sits in a seat for very long. Carnegie instructors are masters at creating involvement. Whether a participant is a shy, resistant or just plain difficult we know how to bring out the best in him or her and create a successful group effort. These skills can only be learned by doing and that's exactly what happens at this seminar.

## 교육 효과

At the completion of this program, participants will be able to:

- Deliver training that professionals find interesting and relevant to their work.
- Provide an atmosphere of acceptance and approval through feedback
- Facilitate participation and engagement in large and small groups
- Create measurable impact by linking concepts with participant and organization objectives
