Dale Carnegie for Executives

လူတွေ့သင်တန်း

When you look at successful executive leaders what do you see? Confidence. Competence. Enthusiasm. Leadership. This course will enable you to be inspiring to others,leading by example and setting the tone in your own organisation and team.

သင်လေ့လာသင်ယူရမည့် အရာများ

Starting with an Executive 360 degree feedback report, you will get feedback from 10 people above, around and below you to help you understand how your leadership is perceived and the impact it has on others. Following the completion of the report there will be 2 days training on High Impact Communications, as well as a personal coaching session

သင်ဘာကြောင့် ဤသည်ကိုသင်ယူချင်ရသည်

In order to continually develop your business and your people you need to develop yourself as well. This programme will give you the skills to create a more engaging workplace culture. Dale Carnegie for Executives will help you develop the art of emotional connection and high impact communication so that you're people don't just hear what you're saying - they feel it!

သင့်ကို မည်သို့ ကူညီပေးမည်

By implementing this new level of communication with into your everyday day engagement with other stakeholders inside and outside your organisation, you will be able to sell your ideas with conviction in a manner that builds trust and credibility.
