

Leadership

Conflict to Collaboration & Disagree Agreeably

In-Person

Learn how to resolve conflict through exploring a combination of teamwork, communication, and interpersonal skills.

Wat je zal leren

In Conflict to Collaboration, you will discover how working communally eases the pressure off of a single individual and extends responsibility evenly among team members, giving everyone the opportunity to take command of their roles and excel together. In Disagree Agreeably, you will not only explore situations that challenge you most, you'll learn to manage your emotions and to express your opinions in a productive way that leads to acceptance and agreement.

Waarom je het wil leren

Conflict can be difficult to resolve without the help of others. By collaborating with people inside and outside of your organization, leaders can leverage the diverse talents and experiences of others, gain new perspectives and uncover unexpected solutions. It's also advantageous to learn to communicate in a non-confrontational way creates a more united workforce. When you are willing to accept differing viewpoints and rationally explain your own, you're much more likely to maintain mutual respect and a positive relationship. Positive relationships yield acceptance, satisfying outcomes, and increased productivity.

Hoe het je zal helpen

This journey into teamwork and self-examination will enable you to better understand how to promote unity in the workplace. You'll learn to communicate without negativity. And you'll be able to answer that age old question, "Why can't we all just get along?"
