Diversity & Inclusion

In-Person

Join us to learn and ensure your leaders develop the awareness and become familiar with the tools to build more inclusive teams.

Wat je zal leren

Become aware of 7 common forms of Unconscious Bias that limit inclusion and how it affects the decision-making process. Learn 9 people skill strategies that bridge differences and build strong connections.

Waarom je het wil leren

Diversity and Inclusion is critical to hiring, ongoing employee engagement and ensuring people speak positively about your organization.

Hoe het je zal helpen

When differences are managed well, the richness of diversity can create an environment of inclusion that produces strong and innovative work teams.
