# Leadership Workshop: Performance Reviews That Motivate

In-Person

Join us for this fast paced 90 minute workshop and learn the skills it takes to deliver motivating performance reviews.

## **Wat je zal leren**

After attending this workshop you will be able to: 1. Recognize the steps that make performance reviews something to RAVE about 2. Identify more than 25 dos and don'ts for an effective performance conversation. 3. Follow a proven 8-step process for planning out performance review meetings with your associates. 4. Use the provided Review Meeting Worksheet to keep the meeting focused and effective.

## **Waarom je het wil leren**

People support what they help create. Very few people are motivated by criticism.

## **Hoe het je zal helpen**

This seminar will help you plan your performance conversations so that staff members feel encouraged, inspired and ready to exceed expectations
