Presentation Skills for Professionals

## **Wat je zal leren**

You'll begin with the basics like getting to know your audience, organizing your ideas and creating your outline, then move from planning into delivery. You'll learn to use techniques to create impact and persuade your audience.

## **Waarom je het wil leren**

You'll move from novice to pro, from nervous to polished, from someone who ducks the chance to speak to someone who can't wait to stand and deliver.

## **Hoe het je zal helpen**

When you're able to comfortably inform, persuade and motivate an audience you'll differentiate yourself from the crowd!
