Public Speaking for Young Adults

In-Person

-

Wat je zal leren

Public Speaking is an Attainable Skill — Learn to: share your ideas confidently and clearly, speak up and ask questions in class, introduce and interact with poise, communicate value with impact and polish their presentations, (ahead of the crowd).

Waarom je het wil leren

Sharing ideas, collaborating and influencing others are critical for future advancement.

Hoe het je zal helpen

They will leave with actionable best practices to present in all of those stressful life situations for the REST of their life!
