# Increasing Productivity in the Workplace

Åpne programmer

Free 2-hour event

## Hva du vil lære

Over the session we will share with you Dale Carnegie's simple ,effective techniques and methodology that will unlock your employees natural potential, boosting productivity and performance.

## Hvorfor du bør lære det

In order to get better results using less resources managers of today need a different skill set to engage and enable their team to go the extra mile, which in turn will achieve organisational and individual goals.

## Hvordan det vil hjelpe deg

What you learn will help you create a highly-focused environment where your team thrive and strive to do their best, leading to improved results, employee retention and revenues.
