

Przywództwo

Time Management and Leading Effective Meetings

Szkolenie In-Person

In this one-day workshop, we will focus on how we can better manage our time and also explore techniques to make our meetings more productive and engaging.

Czego się nauczysz?

In this workshop, you will discover where your time is spent.

Dlaczego chcesz się tego nauczyć?

With a clear picture of where time gets lost, you can see where you can improve.

Jak ci to pomoże?

You will review specific tools and approaches to help you stay on target, increase productivity, and get better results in work and in life.
