

Liderança

Coaching and Feedback

Presencial

Today, more than ever, a leader's job is to build people. When a team leader creates an environment where more people get results, develop new skills, and become successful, that leader is fulfilling their highest calling: building and developing others.

O que você vai aprender

Learning tools to gain cooperation, listening and responding effectively, giving difficult feedback, and influencing others to your way of thinking.

Por que você quer aprender

Coaching and Feedback will help you create a sense of direction, build a common purpose, and find ways to motivate and challenge their team.

Como isso vai ajudar você
