How to Lead Change & Build Momentum - Workshop

Presencial

In this two-hour workshop, we'll examine the subtle but impactful differences between traditional management skills and what it takes to be a momentum builder and leader to create a huge business impact.

O que você vai aprender

Define what creates momentum and creativity and what doesn't. Understand the skills, attitudes and knowledge that comes with being a change leader. Experience and learn Dale Carnegie's proprietary innovation team process. Prepare to take this innovation process back to your business to make an impact immediately.

Por que você quer aprender

Our two game-changing leadership and management programs are adding thousands of dollars of bottom-line results to businesses everywhere.

Como isso vai ajudar você

Prepare to take this innovation process back to your business to make an impact immediately.
