Leadership Training Follow Up

În persoană

Numerous graduates have commented that the Leadership program is an incredible experience to move from self-awareness to a clear action plan. We are inviting graduates to this follow up program that will review key information, allow you to check in each month with your coach/instructor and receive additional live coaching.

Ce vei învăța

Key Ideas we will work on: Developing Maximum Productivity Communicate to Lead How to Engage Your Team How to Build Your Team through Delegation Running Disruptive Meetings with Innovation Vision for the Future - Celebrating Success, Continuous Improvement

De ce îți dorești să înveți

One of the most important factors of adult learning is the opportunity to revisit key ideas and develop mastery of the content that you are learning. This program is designed to help you sustain your growth and development.

Cum te va ajuta

Each session we will have all participants report on a previous assignment with a live instructor. Participants will learn from each other about the application of each topic and be coached in real time by their trainer. We will also review key content from the leadership program that will help elevate your performance and assign each participant a key topic to work on for the next session.
