# Management Skills for New Managers and Supervisors

På plats

Spend a day with us and learn how to gain employee commitment, lead confidently and motivate employees to peak performance. Get the skills you need to avoid the 10 most common mistakes first-time managers make.

## Vad du kommer att lära dig

- Transition successfully from worker to manager
- Motivate your team to reach its potential
- Avoid the 10 common pitfalls of management
- Communicate effectively
- Coach for increased productivity
- And much more!

## Varför du behöver lära dig det

Now it's... Not about your personal achievement...but coaching others to succeed. Not about your drive to get things done...but your ability to motivate others to get it done. Not about you...it's all about them.

## Hur det kommer att hjälpa dig

In other words, the skills that got you the promotion can't make you successful as a manager or supervisor. To achieve success, you need a firm grasp of business skills and human relations skills -- the skills you'll learn at
