

Kommunikation och ledarskap

Shaping VUCA with Human Relations

På plats

Only the strongest person can survive?

Vad du kommer att lära dig

How to lead during VUCA by leveraging all aspects of human relations to create a positive dynamic work environment that will keep employees motivated and resilient.

Varför du behöver lära dig det

The demands of an increasingly volatile and complex market brings a great opportunity for organizational growth when properly handled by leaders. Be ready to recognize the power your actions and behavior can bring to not only survive a VUCA world but also to thrive in it.

Hur det kommer att hjälpa dig

Focusing on building Vision, Understanding, Clarity, and Agility as the pathway to coping and overcoming the daunting and somewhat paralyzing impacts of the VUCA world.
