

Dale Carnegie Course

Becoming a Person Others Want to Know

Sınıf İçi

Attend this interactive free workshop that includes inspirational anecdotes and four key Dale Carnegie principles that will enhance our ability to become the kind of person others want to know.

Ne öğreneceksiniz

Whether we're trying to lead a group of people, establish a reputation as someone who's got it all together, or we're just trying to make more friends – join our discussion on how we can cultivate the traits and skills that will help us realize our desires if we don't currently have them in abundance.

Neden öğrenmek isteyeceksiniz

We live in a hustle-bustle world and too often both we and those around us become indifferent to our relationships with others.

Size nasıl yardımcı olacak

In spite of the world's problems at home and abroad, it's important to remember our person-to-person values and respect for each other.
