Leadership Essentials: Delegation & Coaching

Trực tiếp

vv

Bạn sẽ học được những gì

Learn to plan and prepare a delegation meeting, delegate tasks and responsibilities and communicate clear performance standards for follow up and accountability. Understand the difference between supportive and directive coaching, how different personality styles will respond, and how to apply directive coaching to close behavior gaps. This program will demonstrate how to coach to create buy-in to achieve results.

Tại sao bạn muốn học chương trình này

Putting your team in a position to succeed and maintain performance standards pays off in more capable employees and time saved.

Chương trình này giúp gì cho bạn

You will demonstrate the delegation process to train and develop valuable team members while maintaining accountability and control. This program will give you the tools to get the best out of your team.
