Time Management for Leaders - 2 Hour Workshop

现场课程

This 2-hour workshop will provide you with the skills to take back your day and manage your time effectively.

学习内容

You will gain an understanding of where time is spent and learn how to overcome time management obstacles and work more effectively. You'll be given tools to plan, organize, and manage your time. Learn to leverage time and increase productivity working smarter, not harder.

学习原因

We all feel the weight of our endless to-do list, and so little time to do it all. If you want to put an end to the stress and worry of feeling behind or idle, this workshop is for you! With time wasters out of the way, you'll open the path for quicker decision-making, increased productivity and stronger results.

学习效果

Feel more confident, less pressured, and more productive as you learn to overcome obstacles and see results.
